Subject: - Thanking letter for conducting Five Days FDP "AI Tools, Python & WebApps".

Respected Sir,

On the behalf of G.K. Gujar Memorial Charitable Trust's, Dr.Ashok Gujar Technical Institutes, Dr. Daulatrao Aher College of Engineering, Karad, I would like to thank you **conducting Five Days FDP** in our Computer Science and engineering Department. We sincerely appreciate your time and effort in making our training program a success. Working together, we are preparing students for their future careers and helping the workforce of tomorrow.

Again, thanks for your generous support and we hope that you will consider supporting us in the future.

Thanking you,

Prof. S.P Kakade
HOD (CSE)

Course Objectives and Outcomes

One Week Hybrid mode FDP on

“AI Tools, Python & Web Apps”

Course objectives:

1. Understand the fundamentals of Generative AI
2. Explore tools for multimodal content generation
3. Integrate Generative AI with full-stack development
4. Develop hands-on projects combining AI capabilities
5. Analyze future trends and industry applications of Generative AI

Course Outcomes:

COs	Statements	Bloom's Level
1	Understand the fundamentals of Generative AI	Understand, BL2
2	Explore tools for multimodal content generation	Apply, BL3
3	Integrate Generative AI with full-stack development	Analyze / Evaluate / Create (Levels 4/5/6)
4	Develop hands-on projects combining AI capabilities	Create (Level 6)
5	Analyze future trends and industry applications of Generative AI	Analyze / Evaluate (Levels 4/5)

One Week Online FDP on "AI Digital Content Creation" (10th Dec 2023 to 14th Dec 2023)
(Under Lead College Scheme of Shivaji University Kolhapur)

Event : One Week Online FDP on "AI Tools, Python & Web Apps".

Resource Person: 1. Dr. Tanmay S. Dikshit, Cyber Sanskar Nashik.
2. Mr. Krishnakant Mane, Founder CTO of Bookmatic Pvt. Ltd.

The Department of Computer Science and Engineering of DACOE Karad has organized a one-week Hybrid mode FDP on "AI Tools, Python & Web Apps" (December 10–December 14) under the Lead College Scheme of Shivaji University Kolhapur for faculty of various disciplines like engineering, arts, management, BCA, etc. The online inauguration ceremony of this course was blessed with the principal, vice principal, faculties of various colleges, and the resource person for this workshop, Dr. Tanmay S. Dikshit, Cyber Sanskar Nashik & Mr. Krishnakant Mane, Founder CTO of Bookmatic Pvt. Ltd.

"FDP on AI tools, Python, and web apps focuses on exploring cutting-edge technologies to enhance development, automate processes, and build intelligent, scalable web applications." With the great efforts of the head of the CSE department, Prof. Kakade S.P., coordinator, Mrs. Patil S. S. and committee members, the course was successfully conducted. A total of 40 faculties are registered from various colleges throughout the state.

- Day 1: Introduction of Generative AI.
- Day 2: eBook generation for Amazon Kindle, AI in Gaming
- Day 3: Tools for Image & Video Generation, Multimodal AI
- Day 4: Concepts, Design & Setup, overview of Django framework
- Day 5: Building CRUD APIs

one-week Hybrid mode FDP on "AI Tools, Python & Web Apps" (December 10–December 14) under the Lead College Scheme of Shivaji University Kolhapur fulfills its prime objectives to bring the faculties to be familiar with the overview of ChatGPT generations, plagiarism checking, ebook generation, video content development, and various money generation strategies with AI tools.

To,
The Principal,
AGTI's DACOE, Karad

Subject: Permission to one week workshop on "Android Appcraft: from Concept to Creation" on 3rd Feb. 2025 to 8th Feb. 2025.

I am Mrs. Jyoti P. Sarawade working as an Assistant Professor in Computer Science & Engineering Department interested in coordinating workshop on "Android Appcraft : from Concept to Creation" on 3rd Feb. 2025 to 8th Feb. 2025 at AGTI's Dr. Daulatrao Aher College of Engineering, Karad for all final year students of CSE department.

Target Audience

Final year UG Students and Faculties.

Aim of Session

Participants are expected to learn the basics of Mobile Application Development using Android Studio Framework. The goal is to establish a solid foundation upon which they can build further knowledge.

Through practical exercises and projects, the workshop provides hands-on experience in coding, which is crucial for understanding theoretical concepts and for learning how to apply them.

The Objective of Session

- Make attendees to understand Mobile App Development scenario
- Attendees will be equipped with the skills and knowledge to develop UI, and to work with backend and APIs
- Help attendees with hands on experience in deployment and publishing of mobile applications

NOTICE

All student of T.Y.Btech here by inform that we arrange 2-day training program on **"Innovative Solutions with Arduino UNO"** scheduled for **March 6th-7th, 2025**. That sounds like a great opportunity for hands-on learning and exploring creative projects using Arduino technology!

Objective:

This training will provide practical knowledge on designing innovative solutions using the Arduino UNO platform, covering essential concepts, hands-on projects, and techniques to enhance problem-solving skills with real-world applications.

Key Highlights:

- Introduction to Arduino UNO and its components
- Hands-on experience with sensors, motors, and other peripherals
- Real-world projects to understand the potential of Arduino in solving everyday challenges
- Expert guidance from experienced instructors
- Networking opportunities with like-minded individuals

Address: Mangalwar peth, Karad.

Phone: 96733 98999

Email: altapbhaldar@gmail.com

SEASONED JAVA FULL STACK DEVELOPER TRAINER AND ACADEMIC MENTOR

With over 20 years of experience, Mr. Altap Bhaldar is a distinguished expert in Java full stack development. Currently I am working as Symbiosis Trainer in JAVA Full Stack. I gave training in JAVA Full stack development in colleges. As the co-founder of City Computer Institute, Karad, he has been pivotal in training numerous IT professionals. His solid engineering background and extensive hands-on experience enable him to provide a practical and comprehensive understanding of the field.

Mr. Bhaldar excels in project management and mentoring graduate and postgraduate students, fostering critical thinking and problem-solving skills. His proficiency in various programming languages and frameworks, coupled with his passion for teaching, makes him an invaluable resource for both aspiring and seasoned developers. Under his guidance, learners gain a robust skill set, practical problem-solving abilities, and insights into industry best practices.
